

Grading Policy – 6-Week Marking Period

Last updated: February 9, 2022

Since you've spent most of the 6-week marking period in the beginning stages of your project, your grade for this marking period will be based on a relaxed version of the grading policy in the course policy statement.

Your grade will be based on the following standards:

- Meeting deadlines: A1, A2
- Introduction section:
 - Formulation and analysis: B1, B2
 - Written report and presentation: C1, C2, C3, C4, C5

Your scores on the standards will be converted to a letter grade as follows:

	Meeting deadlines	Formulation and analysis	Written report and presentation
A	S in all standards	S or E in all standards E in at least 50% of standards	S or E in all standards E in at least 50% of standards
B	S in all standards	S or E in all standards	S or E in all standards
C	S in all standards	Otherwise	Otherwise

Remember: to earn a particular letter grade, you must meet the requirements in all three areas. You will receive the highest grade you qualify for.
